Offered by Holy Trinity Parish Health Education Ministry

- Are you concerned about a loved one's declining health, but unsure how to talk about what lies ahead?
- Does your doctor know what treatments you do or do not want?
- Who will decide my health care if I can't?
- Are you confident that the people close to you know your treatment preferences?
- Have your wishes been written down and are they easily accessible?
- Are you familiar with Catholic Perspectives of Advance Health Care Planning?
